Schueler Residency in Scotland:

Acknowledging Jon Schueler's very special relationship with the landscape and environment of the Sound of Sleat, Sabhal Mòr Ostaig, the University of the Highlands and Islands on the Isle of Skye in Scotland, has proposed a Jon Schueler Residency Scholarship to run from 2013 through 2016. The artist's residency would be for a three month stay from July through September each year.

Details will be posted in the near future
(see the university's web page: www.smo.uhi.ac.uk) with applications for 2013 being accepted from early November 2012.

In addition, the possibility of a Jon Schueler Conference at Sabhal Mòr Ostaig in 2016--the centennial of Schueler's birth (1916-1992)--is being explored by the university.
